WEBSITE LOOK

The screenshot shows a web browser window with the URL `localhost:8080/Flyway/HomeServlet`. The page has a dark header with the "Flyway" logo and navigation links: "Book Flight", "Register", and "Login".

Book Flight

The main form contains four input fields: "From" (dropdown menu), "To" (dropdown menu), "Departure" (text field with placeholder "yyyy-MM-dd"), and "Number of Persons" (text field with placeholder "i.e {1, 2, 3}"). A blue "Search" button is located to the right of the "Number of Persons" field.

Below the search fields, a result box for "Air India" is displayed. It contains the text "Bombay to Delhi", "Depart on 2021-10-04", and "Ticket price: 25\$". A blue "Book Ticket" button is positioned at the bottom left of this result box.

The footer of the page is dark and contains the text "Copyright © Flyway 2021".
